- 1. Project Name** – FY 2026 Amendment – US-91, Park Lawn to Siphon Road (KN#21860)
Funding Source – Safety and Capacity; Carbon
Project Description - The purpose of amendment is to increase Safety and Capacity Construction funding from \$8,364,000 to \$12,450,000 and to move the year of construction from Fiscal Year 2027 to Fiscal Year 2026, and to decrease Carbon Construction funding from \$667,000 to \$408,000 and to move the year of construction from Fiscal Year 2027 to Fiscal Year 2026. The funding changes for this project are shown in the draft FY2027-2033 Transportation Improvement Program but that draft program reflects a Fiscal Year 2027 construction use of those funds; this change would adjust both the amounts and the construction year.
