

PUBLIC NOTICE

Notice is hereby given of a proposed Prior Year Project Change of the Transportation Improvement Program (TIP). BTPO invites the public to review and comment on the following changes:

1. Project Name – Prior Year Project Change – Section 5307 Funds (KN13802 & KN19755)

Funding Source – FTA Section 5307 Small Urban

Project Description - Pocatello Regional Transit (PRT) is proposing a change in use for its FTA Section 5307 funds, proposing to change \$189,590 in funds originally intended to be used for operations to a use for capital; capital funds are proposed to be used for purchase of bus support/equipment/facilities needs including but not limited to office equipment (computers, copier, etc.), facility surveillance system. The funding was part of the FY2023 Transportation Improvement Program - KN13802 (Pocatello UZA Demand Response Operation) and KN19755 (Pocatello UZA Capital) and are part of an active FTA Grant.

About Section 5307 Funds - The Urbanized Area Formula Funding program (49 U.S.C. 5307) provides federal funding to states and local recipients for transit capital and operating assistance and transportation-related planning in urbanized areas. For urbanized areas of 50,000 to 199,999 in population, the formula is based on population, low-income population, and population density.
